(formerly known as ELAEIS)

GUIDE TO AUTHORS

Language

The paper must be in British English.

Keywords

Please list not more five keywords for indexing purposes.

Abstract

An abstract of not more than 200 words is to accompany the manuscript. Emphasis should be on what was found, not what was done.

General Form

Papers reporting original research should be cast in the form:

Introduction - Experimental - Results and Discussion - Conclusion.

Copies

- Two clear copies are to be submitted.
- 3.5 in. disk(s) containing the manuscript (in MS Word) should accompany.

Typing

- The typing is to be *doubled-spaced* with reasonable margins on A4 size paper.
- Words to be printed in italics should be italicised/underlined.
- Use MS Word.

Reference

- Each reference cited should be from an original source. When this is not possible, a secondary source may be used, but it should be cited along with the original reference.
- The Harvard system of citation should be used in the text, with the name of the author(s) in all capitals followed by the year of publication in parentheses, *e.g.* JOHN, B J (1999).
- The reference list should be in alphabetical order by first authors. There is no numbering.

Tables

- Tables should be on separate sheets and properly numbered. The same applies to figures and other illustrations.

- The word TABLE and the remainder of the table heading should be in capitals.
- Tables should only have three horizontal line.

Illustrations

- All illustrations should be cited consecutively and referred to in the text.
- Original artwork or positive photographic prints must be submitted with the original copy of the manuscript. Photocopies are not acceptable.
- All photomicrographs should be supplied with a suitable scale.
- All illustrations should be numbered in sequence with Arabic numerals, in order of appearance in the text, as *Figure 1, Figure 2, etc.* Terms such as 'Chart' or 'plate' should be avoided.
- The word 'Figure' and the caption should be italicised/underlined.

Unit of measurement

- Metric units or the International System of Units should be used. Leave space between numbers and units, *e.g.* 20 ha, 5-8 ml, use kg m⁻¹ and not kg/m.

Review

- All manuscripts will be referred to appropriate reviewers.

Proofs

- One set of proofs will be sent to the author to be checked for printer's errors, and it is the responsibility of the author(s) to submit corrections to the editor within the stipulated time.
